Family Background

I belong to a small, close-knit family currently residing in Ghaziabad, Uttar Pradesh. Our family consists of my mother and me. My mother is originally from Faizabad, while my late father belonged to Maharajganj, Azamgarh. My father passed away in 2021 after battling cancer. He served as an Assistant Director at NITRA (Northern India Textile Research Association) and held a Ph.D. in Chemistry from Aligarh Muslim University (AMU). He was a respected professional whose values of integrity, discipline, and hard work continue to inspire me.
