Family Background

I belong to a small, close-knit family currently residing in Ghaziabad, Uttar Pradesh. Our family consists of my mother and myself. My mother is originally from Faizabad, and my late father belonged to Maharajganj, Azamgarh. My father passed away in 2021 due to cancer. He was an Assistant Director at NITRA (Northern India Textile Research Association) and had completed his Ph.D. in Chemistry from Aligarh Muslim University (AMU). He was a respected professional whose values of integrity, discipline, and hard work continue to inspire me.
